**I have read and understand the contents of this registration contract:**

- I am the parent or the legally authorized guardian of the chorister.
- The use of my chorister's name, photographs and quotations in Vivace! Choral Program may be used in brochures, advertisements, and other related publications.
- This form is signed and delivered voluntarily and will remain in effect for the **2016-2017 season** or until the child no longer participates in the Vivace! Choral Program. A written notification stating withdrawal and a parent and chorister meeting with the Artistic Director is required before the chorister is released from the program.
- I understand and am fully responsible for **FULL** payment of my chorister's account.
- **NOTE:** In case of non-payment, or payments not received on time, the chorister may be excluded from rehearsal and/or performance.

**If my chorister is placed in a Vivace! Choir, I have read and understand the following expectations as a Vivace! Parent:**

- Choristers are required to attend all weekly rehearsals and performances on time. More than two (2) absences prior to a concert are not acceptable. Excessive absences may result in a non-performance at the next performance. The director **MUST APPROVE** all excused absences **PRIOR** to the date of the absence. **I will provide or arrange proper transportation to and from Vivace! each week for rehearsals and at each performance.**
- I understand that participation in a Vivace! Choir is an **ANNUAL** commitment. Vivace! **WILL NOT** pro-rate payments for missed rehearsals, performances or early withdrawal from the program. **I will agree to keep my chorister in Vivace! for the ENTIRE season (September to June). If my child decides to withdraw early from the Vivace! season, I understand I am still fully responsible for full payment of my account for the entire year.**
- **PRACTICING** is critical for a Vivace! chorister to be prepared for his/her next rehearsal and performances. **I will encourage my chorister to practice their music each week at home.**
- Sheet music is very expensive. All sheet music is **LOANED** to the chorister for use during the season. **I understand and will pay for the replacement of sheet music that is lost or not returned by my chorister.**
