2nd Chorister (youngest family member): 25% reduction in tuition
3rd Chorister (youngest family member): 35% reduction in tuition

Tuition Assistance

- Tuition assistance is available by application to families with financial hardship. If you need a Tuition Assistance application, please see the Choir Manager for a form and instructions. Families on tuition assistance will not be eligible for Full Payment and/or Family Member discounts. Please note that Tuition Assistance is awarded on a first-come-first-serve basis.

Fees (new information!)

- For new choristers to the Vivace! Choral Program (or those returning after a period of time) there is a **non-refundable** audition fee of \$30.00 *due up-front* before auditioning. If accepted into the program, this audition fee will then be applied to your tuition cost.
- For all choristers, new and returning, there is a **non-refundable** registration fee of \$40.00 due at the time of registration.

Uniforms

- **Cathedrals Choir members** will provide their own uniforms for the season. The uniform for **men** will be a black tuxedo: white tuxedo shirt, black bow tie, black cummerbund, black dress shoes, black & silver studs and cufflinks and black socks. The uniform for **women** will be the black and white Cathedrals dress ordered at the beginning of each quarter (Sept, Jan, Apr), white or cream-colored slip, faux single pearl necklace and earrings, black nylons and black 1” pumps. Cathedrals women’s dresses cost **\$80** and are ordered through Vivace!.
- **Mixed Choir uniforms** will be our Vivace! blazers which are provided (on-loan) to each V!Mixed chorister. A \$5 cleaning fee is due at time of loan of blazer. Other components of the V!Mixed uniform must be purchased by you from outfitters of your choice. The required components include: White mock-turtle-neck shirt (long or short sleeve, short sleeve is recommended for comfort), grey dress slacks (light or “heather” grey), black shoes and black socks. These components are typically purchased at area retailers such as Target, JC Penney’s, Walmart, etc. Please do not purchase pants that are tight-fitting (i.e. skinny jeans, etc).
- **Kids Choir uniforms** will be a Navy Vivace! polo. The polo fee is **\$25**. You must provide khaki slacks (lighter-colored khaki), black socks, black close-toed/dress shoes. Please do not purchase pants that are tight-fitting (“skinny”, etc) or short-cut (“capris” etc) pants.
- **Additionally:** If you or your chorister are to perform in a special event, tour, or travel, a Vivace! polo is required to be purchased as an “informal” uniform. We use our “informals” for the purpose of safety and uniformity. In this case, the specifications of the “Kids Choir uniforms” then apply.

Note that Vivace no longer processes payments through FACTS Management, which now saves families \$48 each year!

The Vivace! Choral Program accepts the following payment types:
Cash (on-site), check/money orders (on-site or via mail: see mailing address),
and all major credit/debit cards (on-site or via phone. Phone payments require an extra \$1 processing fee).
